角色 設計課

iPad Digital Art · Session 7

Who will YOU create? 你要創造誰？

WHAT IS CHARACTER DESIGN? 角色設計是什麼？

CHARACTER DESIGN 角色設計

The art of creating a visual character — their look, personality, and story. Every great character started as someone's imagination! 每個偉大角色都始於想像力！

EVERYWHERE! 無處不在！

Video games, movies, anime, books, logos — characters are everywhere! Mario, Pikachu, Mickey Mouse all started as simple sketches. 超級瑪利歐、皮卡丘都是從草稿開始的！

IT STARTS WITH AN IDEA 從一個想法開始

Before any drawing, designers ask:
WHO is this character?
WHAT do they do?
HOW do they feel?
先問三個問題：他是誰？做什麼？感受如何？

SIMPLE → COMPLEX 從簡單到複雜

The best characters start with the SIMPLEST shapes. A circle, a square, a triangle. Then details are added layer by layer!
最好的角色從最簡單的形狀開始！

BEFORE YOU DRAW — ASK THESE! 畫之前先問自己！

WHAT MAKES A GREAT CHARACTER? 什麼讓角色令人難忘？

SILHOUETTE 剪影辨識度

Cover the character — can you tell who it is from just the OUTLINE? Great characters are instantly recognisable by shape alone! 只看輪廓就能認出來！

ONE UNIQUE FEATURE — 個獨特特徵

Every iconic character has ONE thing you remember: Mario's moustache, Pikachu's tail, Naruto's headband. What's yours? 每個角色都有一個讓你記住的特點！

EMOTIONAL EXPRESSION 表情豐富

Can your character show many emotions? Happy, sad, angry, surprised? Great character designs work for ALL expressions! 你的角色能表達各種情緒嗎？

CONSISTENT STYLE 風格一致

All parts of the character should look like they belong together. Don't mix cartoon eyes with realistic hair! 所有部分要看起來像同一個設計風格！

TELLS A STORY 說一個故事

Just by LOOKING at the character, you should feel something about who they are. Scars, clothing, accessories all tell their backstory! 光看外表就應該能感受到角色的故事！

SIMPLE BUT DETAILED 簡單但有細節

Simple enough to recognise at small sizes, detailed enough to be interesting up close. The best characters work at ANY scale! 縮小也能認出來，放大也很有趣！

START THINKING! 開始構思你的角色！

討論這些問題 Discuss these:

Which game/anime character design do you love most? Why?
你最喜歡哪個遊戲或動漫角色的設計？為什麼？

Is your favourite character made of circles or triangles?
你喜歡的角色是圓形還是三角形的？

What colour would YOUR character be? What does that say about them?
你的角色是什麼顏色？這代表什麼個性？

What ONE feature would make your character unforgettable?
什麼樣的特徵能讓你的角色令人難忘？
